

State Assessment Information

Diagnostic Tests

Diagnostic tests are given to all students. The results of these tests give the school a benchmark for student academic standing relative to their peers within the school and across the country. These external tests are given again each spring to we can measure each student's longitudinal growth.

State Tests

The school will administer all tests mandated by the Ohio State Legislature. State mandated test will be administered in the fall and spring for third grade unless otherwise decided by the Department of Education. The KRA will be administered in the fall each year. The Reading Diagnostics test will be administered to all students in grades kindergarten through third in September. Reading and math diagnostic tests will be administered each year to students in grades kindergarten through eighth. All state assessments will be administered to all students in grades third through twelfth
